Holistic Yoga

You don't need to know anything or be extremely flexible. You don't even need to have a yoga mat! (But if you do, please bring one) Just show up, breathe and relax into unexpected experience of self-discovery.

Class consists of 40 min. of warm-ups and exercises, 10 minutes of meditation and 10 minutes of yoga breathing.

In order to continue these classes beyond the current session, we request a small donation. The suggested donation is \$5.00 per class, but any amount would be helpful. Thank you.
