

# Cyber Security

**October 24, 2019**

**@ 7 p.m.**

**Grades 6-12**

This program is presented by Tom Bruning, a lecturer at Rutgers Business School with a Masters Certificate in Computer Security from Stevens Institute of Technology in Hoboken.

Topics covered will include: Password generation and password management, smartphone safety, computer safety, social media safety and gaming safety.

There will be a raffle at the end of the program.

**Registration is suggested, so stop by the library or call (732) 632-8526 to register.**

Questions email [Mwhittington@lmxac.org](mailto:Mwhittington@lmxac.org)

**The Program is free and funded by the Friends of the Metuchen Public Library.**

\*The library reserves the right to record or photograph library users for publicity purpose, unless an individual files a Phot Opt out Release form.\*
