

METUCHEN PUBLIC LIBRARY MOBILE APPS

LMxPRESS PLUS

LMxPRESS PLUS features a more streamlined look and provides faster and more accurate access to your library account and the holdings of the LMxAC member libraries.

Search all LMxAC member libraries for your favorite books, movies, music, and more. Download and connect to digital content, and stay in touch with your library's community through social media feeds and event calendars.

Use LMxPRESS PLUS to:

- ★ Place holds on items across all LMxAC member libraries and choose your pickup location.
- ★ Manage your library account: view holds, checkouts, and renew items.
- ★ Store a digital copy of your library card on your device so you always have it with you.
- ★ Check your favorite library's social media feeds, see upcoming library events on each member library's calendar and access digital content offered by individual libraries.

Download the LMxPress Plus app by clicking one of the icons below:

hoopla

Hoopla is a digital content provider of music, eBooks, audiobooks, movies, comics, and television, with more than 400,000 titles available across those formats. LMxAC member library patrons have access to all content instantly, without having to place a hold or wait for a title to become available.

Content can be streamed on a PC or Mac through hoopladigital.com. Borrowed titles can also be streamed and temporary downloaded to iOS and Android devices.

Download the hoopla app by clicking one of the icons below:

Libby, by OverDrive

Libby is the newer app from OverDrive and provides a fast, attractive digital browsing experience. Libby is compatible with Android, iOS devices, and Kindle Fire. You can use it instead of the OverDrive app. You can also use Libby to access over 3,300 digital magazine titles!

Download the Libby app by clicking one of the icons below:

OverDrive

Thousands of eBooks, e-audiobooks and videos you can borrow anytime, anywhere! OverDrive is the "classic" app, and is compatible with more devices, including Macs, PCs, and Windows mobile devices.

Read, Listen, Watch, Enjoy! When asked to add a library, choose ListenNJ. To log in, go to my account, choose [Libraries of Middlesex Automation Consortium](#), and enter your Metuchen Library Card No. & PIN.

Download the OverDrive app by clicking one of the icons below:

Rosetta Stone: Learn Languages

An online language learning tool. You can choose up to 30 foreign languages.

**Please follow its Mobile Application Log-In instructions which can be found [here](#).
